CCCC serves over 3,300 ministries by providing practical, affordable resources that help them operate in an exemplary, healthy, and effective way. CCCC Affiliate Membership is valid for the calendar year—members must be Canadian registered charities.

BENEFITS OF BEING A MEMBER

Affiliate Membership is our most popular membership option, available to any registered Canadian charity. Affiliate membership offers access to CCCC resources and benefits.

Email & Phone Support

Our team of friendly, welcoming experts have knowledge and experience. They're ready and waiting to answer your specific questions with practical help.

Resources & Downloads

Ranging from templates, checklists, and forms to webinars and articles, our resources and downloads are designed for charities and their specific needs.

CCCC Bulletin

You'll get 5 issues a year, mailed and emailed to you. Covering technical information and updates for charities in an accessible way, the *Bulletin* keeps you current with trends and best practices and also offers real-life experience and examples.

Affinity Programs

Affiliate Membership gives you access to programs that you may already be using, at a deeply discounted rate. Whether your charity needs a professional, current website, property and liability insurance, office supplies, or training and resources designed to protect the vulnerable people you serve, these programs make membership even more appealing.

Charities Handbook

With more than 20 editions in publication, the *Charities Handbook* is a long-trusted resource for charities, designed to help you navigate through legal and accounting issues, to advance your ministry. One print copy and one e-book are included.

Compensation Survey

The Canadian Ministry Compensation Survey is a national salary survey of more than 1,200 churches and Christian agencies. The survey generates valuable compensation reports that can be filtered by ministry type and position. Members have access to the survey.

Product & Event Discounts

Special discounts are offered to members, providing access to books, e-books, videos, DVDs, and seminars on valuable topics such as leadership, fundraising, and human resources.

Employee Benefits

We want to make it easier and more affordable for charities to take care of their employees, so we've designed a variety of helpful programs exclusively for CCCC members, including group health insurance, group health insurance for expatriates, short-term travel insurance, and a pension plan.

BECOME A MEMBER AND REAP THE BENEFITS

Our goal is to come alongside, serve, resource, and offer benefits to you as you fulfil your charity's mission. CCCC is the largest association of Christian charities in Canada, and we love seeing charities thrive, operating in an exemplary, healthy, and effective way.
