

# WHY JOIN CCCC?

We provide CCCC members with operational support and guidance, trusted information, employee benefits, and sector representation so they have more time and freedom to focus on their mission.

## GUIDE

Call or email our Member Support team for current, clear and trusted guidance in all aspects of running a ministry. Our Knowledge Base includes our Charities Handbook, Bulletin articles, templates, and sample policies that will help you find answers and save time.

## TRAIN & DEVELOP

Are you board members trained to govern? Could your church treasurer use an orientation or a refresher course? The Learning Table offers valuable online courses exclusively to members. Our regular webinars are practical and help in the areas of HR, Finance, Leadership, Fundraising and charity compliance. The Christian Charity Mentors program connects experienced professionals with those seeking guidance in their career journeys.

## COLLABORATE

Ministries can share insights and discover partnership opportunities in our online community platform “The Green”. CCCC’s legal team works to provide a positive environment for Christian ministries to operate in Canada and keep our members informed of policy and political changes.

## PROTECT

Your people propel your ministry forward – take care of them with our exclusive plans and savings only available to members.

- > Employee Group Health Benefits, including a Health Spending Account program

## FUNDRAISE

Demonstrate your trustworthiness with donor funds through our highly-respected Accreditation Program. Accredited charities operating within our defined Standards of Accountability may display CCCC’s “Accredited Member logo” which encourages donors and granting foundations to give generously and confidently. Our Community Trust Fund enables members to benefit from donor transferred securities and accept these ministry gifts with ease.
