If there are secondary doctrinal differences or matters of personal preference that really annoy you so you get worked up over them,

- 1) Make it a matter of prayer and ask God to show you how he wants you to grow spiritually so that you can live in peace and harmony with others.
- 2) Explore the difference through study or talking with someone “on the other side” and make a list of things you can appreciate about it. How could it enrich your spiritual life?
- 3) Especially if the difference is a matter of personal preference, what other options do you have to satisfy your needs? Are there Christian resources or ministries that could help you?
