- 
- 1) Read Psalm 100 and spend some time reflecting on how it affects you as a ministry leader. How can your leadership better reflect God's leadership?
  - 2) Watch the video in the blog post and allow the music to speak to your soul. Sing along if you wish! Immerse yourself in God's goodness!
  - 3) How can you keep the two foundational truths of Psalm 100 foremost in your life and ministry? You can shout, worship, come, know, enter, give thanks, and praise.
  - 4) As you lead your ministry, know that the Lord is God and he is good. His love for you will not end and the work he has given you to do he will support as his own work. Be encouraged! Ask God to be your constant guide.
