- 
- 1) How receptive to outside influence and critique are you?
    - a) Are you defensive or thankful?
    - b) What is the most helpful attitude about getting objective feedback that will help you receive it well?
  
  - 2) Do you already have relationships with other leaders who you could ask for feedback? Would you like a broader range of people to give you feedback?
    - a) Make a list of people who are not under your influence who you'd like to get feedback from.
    - b) Plan the next steps to develop good relationships with this group of people.
