COPYCAT LEADERSHIP: WHEN SHOULD LEADERS IMITATE OTHER LEADERS?

https://www.cccc.org/news_blogs/john/2013/09/09/copycat-leadership-when-should-leaders-imitate-other-leaders

1. Ask yourself: How does my leadership project what I consider to be unique or special about me? That is, In what ways do I confidently lead in my own way?
2. Name one or more leaders who you highly respect for their godly leadership. What about them would you like to emulate?
3. Ask yourself: If I regularly search for what others have done and how they became successful, it may mean that I am not putting my own original thinking into how my ministry can fulfill its mission. Who can help me think creatively about my ministry's mission? What do I need to do to have a better understanding of the issues so I can think for myself?
