Reflection Questions

1. How did Pastor Richardson demonstrate trust in God?
2. What do you think was his deepest motivation?
3. What motivations were not important to him?
4. Just a few weeks before he passed away, Pastor Richardson sang, “I Don’t Regret a Mile.” Describe the kind of life it would take for you to sing that with sincerity. How would your staff interpret that kind of life?
5. What, if anything, would you like to change about your motivations?
