2. List what it would look like (the different ways) when a shepherd leader:
 - a. protects
 - b. provides
 - c. guides
3. Reflect on the legitimate use of power held by leaders and develop a philosophy for the use of the power you hold. That is, what is your power for?
4. Describe a number of specific scenarios (hypothetical is fine) where you as a leader need to demonstrate compassion. What exactly does compassion look like in those scenarios?
