Reflection Questions

1. How receptive to outside influence and critique are you?
 - a. Are you defensive or thankful?
 - b. What is the most helpful attitude about getting objective feedback that will help you receive it well?
2. Do you already have relationships with other leaders whom you could ask for feedback?
Would you like a broader range of people to give you feedback?
 - a. Make a list of people who are not under your influence whom you'd like to get feedback from.
 - b. Plan the next steps to develop good relationships with this group of people.
