Discussion Questions

1. Do you function in your leadership role with the awareness that your authority is temporary? How does that thought shift your perspective about those who report to you?
2. How do you think your staff feels about you—will they want to spend time with you in heaven? Why?
3. Imagine Jesus working in your organization as an employee. Would he fit in with your culture? Would he be a long-term employee? If you think he might look elsewhere, what adjustments could make your workplace more attractive to him?
4. To want God’s will to be done on earth as it is in heaven is to base all relationships on godly character. What changes can you make today to increase love and respect in your work relationships?
