### Discussion Questions

1. Discuss this comment: Whether or not we manifest the quality of relationships that we see between the three persons of the Trinity is a matter of *choice*.
  - a. In general, what helps or hinders people from having the type of relationship that exists within the Trinity with their peers in a workplace setting?
  - b. Should a person's choice about having a quality relationship with a peer be conditional upon the peer's choice about the relationship being the same?
2. What are some easy, little things we can do to humanize our work relationships?
3. List the benefits that flow back to you when you demonstrate love for your teammates.
