## The Measure of Our Success

[https://www.cccc.org/news\\_blogs/john/2012/10/13/the-measure-of-our-success/](https://www.cccc.org/news_blogs/john/2012/10/13/the-measure-of-our-success/)

### Discussion Questions

1. Review your mission statement, values, and [theory of change](#) and identify metrics that relate to mission fruitfulness.
2. If you found new metrics, how would you collect them?
3. Are there existing metrics you are using that now seem less important? Should they be abandoned?
